- Gives the unit a more stream lined appearance.
- Combined with black out paint gives a more coach look.

Full View Curb Side Window-For Improved Visibility and Safety

In-House Undercoating

- Units are sealed with expanding spray foam.
- Then fully undercoating
- Toe-In Toe-Out Alignment Standard-ready for service upon delivery

Side Mounted Rear View Mirrors

- Provides Greater Visibility

Custom Driver Console

- Ergonomically designed for ease of use
- Allows the driver to have better access to the passenger area.

Bolted Structures

- Mechanically fastened walls to floor; roof to walls-reduced stress points

“Steel-Safe” Frame featuring Flo-Coat® 1-1/2” square galvanized steel tube

- “Steel-safe” Construction-superior structural integrity for greater safety and durability
- “Steel-safe” Unibody Floor Construction-protection and strength to withstand impact
- 24” Centers on Steel Structure-efficiency, integrity and simplicity
- Fully Galvanized Structure-Flo-Coat® square tube for ultimate rust protection

ADVANTAGES

Electric Panel

- With laminated legend mounted on door panel for ease of trouble-shooting.

Step Well Protection

- Galvanized Step Wells for rust prevention at high corrosion areas

1/4" Full Length Rubber Isolator

- Extends the full length of the frame rail
- Allows even weight distribution reducing isolated stresses on structures

Lift Mounted to Floor Frame Structure-

- Wheel Chair Lift Mounted Directly to 1/4" Steel Plates Integrated Into Steel Floor Structure for Superior Strength Allows for Constant Torque and Stability

Standard Cove Molding

- Cove Molding- Radius edges for easier cleaning and maintenance

Structural Foam Insulation in Roof

- Entire roof is sprayed with expanding insulation foam for superior passenger heat and A/C efficiency
- Less outside noises
- Structural Rigidity

Vacuum Laminated Walls

- Wall structure is filled in with high-density foam for strength and insulation
- Greatly reduces road noise and improves heat and A/C efficiency

Electrical Options

- Defrost Fan
- Destination Sign
- Dome Lights, Door Activated
- Door Ajar Buzzer and Light
- 8D Battery w/Slide-Out Tray
- PA System
- Two-Way Radio Prep
- Premium Entertainment Package
- LED Interior Package
- LED Exterior Package

Exterior Options

- Electric Door, 40" w/Ext. Key Switch
- Door, Rear Exit
- Painted, Galvanneal Steel Skin Roof
- Stepwell, Stainless Steel
- Underbelly Steel
- Romeo Rim Rear Bumper
- Multiple Options on Side Mirrors including Power, Heat and Signal Integration
- Bonded Windows w/Full Blackout Paint

Exterior Paint Options

- Custom Paint/Custom Graphic
- Painted Wheel Rims
- Various Graphic Packages
- Blackout Windows
- Painted Skirt

Luggage/Storage Options

- Interior Luggage Racks (Various Sizes)
- Overhead Luggage Racks w/Lights
- Rear Luggage Compartment
- Sliding Luggage Wall Package
- Under Floor Storage Boxes
- Cargo Netting

Chassis Options

- Hour Meter
- Hubometer
- Jack and Lug Wrench
- Kelderman Rear Air Suspension
- MOR/ryde Rear Suspension
- Rear Step Bumper
- Spare Tire
- Stainless Steel Wheel Inserts
- Telma Retarder
- Rear Tow Hooks
- Exhaust, Rear
- Anti-Ride Bumper
- Chrome-Exhaust Deflector-Gas only
- Exhaust, Rear: Gas
- Exhaust, Roadside: Diesel

5 YEAR/100,000 MILE LIMITED WARRANTY
