Engineered Quality

Krystal Enterprises. The company's very name reflects engineered excellence. Krystal is committed to living up to its reputation as the producer of specialty vehicles unequaled in the transportation industry. With an automotive approach to manufacturing, Krystal produces a finished product with clean style and automotive appearance.

Built on the Ford F-550 cab & chassis, these finely crafted mid-size buses have capacities from 22 to 32 passengers. Krystal's F-550 shuttle bus includes more items as standard equipment than any other mid-size bus manufacturer. Available options are 108,000 BTU A/C system, video and audio systems, back-up camera, lavatories, and a large array of floor plans to suit your needs.

The attention to detail and fit & finish of the Krystal shuttle bus is unparalleled in the mid-size bus industry.
