

Krystal[®] International

Engineered Quality

International

Krystal Enterprises. The company's very name reflects engineered excellence. Krystal is committed to living up to its reputation as the producer of specialty vehicles unequalled in the transportation industry. With an automotive approach to manufacturing, Krystal produces a finished product with clean style and automotive appearance.

Built on the International cab & chassis, these finely crafted mid-size buses have capacities from 27 to 39 passengers. The International shuttle bus includes more items as standard equipment than any other mid-size bus manufacturer.

The KK38 premium Tour Coach comes with standards such as a MAXXFORCE DT 245 HP diesel engine, ducted 165,000 BTU Roof A/C, interior parcel racks, complete audio & video system, and Amaya coach seats.

The attention to detail and fit & finish of the Krystal shuttle bus is unparalleled in the mid-size bus industry.
