Highly-Maneuverable, Low-Profile Solution

STARCRAFT BUS
a division of Forest River, Inc.

► The Starquest is the perfect solution for those in the market for a highly-maneuverable, low-profile shuttle bus. The Starquest, with its fully welded steel cage construction, sleek exterior and long list of standard features, can accommodate the needs of a variety of groups including hotels, schools, resorts and churches.

It's easy to appreciate the style the Starquest offers with its distinctive aerodynamic, low-profile construction. Drivers will appreciate the improved handling and stability the Starquest provides with its dual rear wheels.

The spacious interior, which includes an 88" wide body, a center aisle with 74" of interior head room and two-passenger seating on each side of the aisle makes the Starquest a passenger favorite. The optional rear luggage area gives passengers added room to enjoy the view through the 36" X 36" windows. The Starquest sets the standard in style, comfort and maneuverability, making it one of the best values in the industry today.

Starcraft Bus, a division of Forest River, Inc., is owned by Berkshire Hathaway, one of the most respected and financially secure companies in the industry.
