

FAMILY WISE

Motorhome interior with leather seats
and table.

Finally, a family-friendly alternative to the large passenger van. Introducing the Terra Traveler. This amazing family transport features all the comfort, safety and versatility of our commercial vehicles, built on a smaller, easy-to-manuever chassis – all for the cost of a large SUV. For any family that is ready to ride in safety and style, the Terra Traveler is the perfect answer.

DUAL REAR WHEEL ROAD STABILITY
AND COMPLETE ROLL CAGE

Safe and Sound

According to statistics, motor vehicle crashes are the leading cause of death for people 2 to 34 years old. Turtle Top wants to change that. **A Unibody Rollcage and passenger restraint system** enable the Terra Traveler to meet or exceed National Highway Transportation Safety Administration (NHTSA) standards. At Turtle Top, your family's safety is our top priority.
